# #MeToo and You: Harassment Prevention for Employers

*Many employees in workplaces find themselves in situations where harassment occurs.  
Such behavior harms employees, lowers morale, and may result in employer liability.*

**This presentation will help employers understand when workplace behavior rises to the level of illegal harassment, and how they should respond to prevent and promptly correct the behavior.**

Wednesday

**May 9, 2018**

**8:00 a.m. – 9:30 a.m.**

**South County Employment Center

**Ryan D. Nelson, Esq., SPHR.** Ryan's law practice encompassed a variety of areas, but one of his significant achievements was an appeal to the Colorado Court of Appeals and later to the Colorado Supreme Court. His work researching, drafting and arguing before the courts impacted Colorado law and resulted in two published opinions. In 2010, Ryan joined Employers Council. He provides employers with consultative legal advice, with a focus on strategic and practical solutions in a variety of areas of employment law and human resources. In 2015, he moved to Salt Lake City to work in Employers Council's Utah office. In 2017, he became the Utah President of Employers Council.
